Risk Assessment prior to re-opening of schools commencing 1.6.20

The full Risk Assessments were reviewed by Steve Tucker as the Health and Safety portfolio holder on behalf of the Board. The Executive took on board his suggestions and amendments, and then circulated full copies of the final version to all members of the Board for their review. All Directors of the Board responded by email by 31.5.20, and all accepted the Risk Assessment and agreed that schools could re-open, beginning on 1.6.20, in line with the government's guidance.
