Dear All,

Just a quick note to say thank you again for all that you have done this year, and especially this term.

What a last week – thank you for sharing all the videos of productions and concerts as well as your messages of support, as well as everything you have done to keep things going for children and your colleagues in spite of all that is going on around you.

I hope that tomorrow goes well for you all and that you have a very restful and festive time with family and friends.

Best wishes for the festive holiday, when it comes,

Matthew
