Education South West

Trustees' Report

Year Ended 31 August 2021

The trustees present their annual report together with the financial statements and auditors' report of the Charitable Company for the year ended 31 August 2021. The annual report serves the purpose of both a trustees' report and a directors' report under company law.

On the 1 February 2021 South Devon University Technical College joined Education South West.

The Trust operates eleven academies, comprising three secondaries with sixth form (Kingsbridge Community College, Coombeshead Academy and Teign School), an all-through academy comprising primary and secondary (Dartmouth Academy), a university technical college (South Devon) and 6 primary academies (Blackawton Primary School, Christow Primary School, Rydon Primary School, Stoke Fleming Primary School, East Allington Primary School and Kingswear Primary School) serving a catchment area in South Devon. It has a pupil capacity of 6,083 and had a roll of 4,618 in the school census in May 2021.

Structure, Governance and Management

Constitution

The Multi-Academy Trust is a company limited by guarantee and an exempt charity. The Charitable Company's Memorandum and Articles of Association are the primary governing documents of the Trust.

The trustees are also the directors of the charitable company for the purposes of company law. Details of the trustees who served during the year are included in the Reference and Administrative Details on page 1.

Members' Liability

Each member of the Charitable Company undertakes to contribute to the assets of the Charitable Company in the event of it being wound up while they are a member, or within one year after they cease to be a member, such amount as may be required, not exceeding £10, for the debts and liabilities contracted before they ceased to be a member.

Trustees' Indemnities

Every trustee or other officer or auditor of the Trust shall be indemnified out of the assets of the Trust against any liability incurred by him in that capacity in defending any proceedings, whether civil or criminal, in which judgement is given in favour or in which he is acquitted or in connection with any application in which relief is granted to him by the court from liability for negligence, default, breach of duty or breach of trust in relation to the affairs of the Academy Trust.

Method of Recruitment and Appointment or Election of Trustees

It is accepted that a well-informed, supportive and challenging Trust Board is an essential prerequisite for a successful Multi Academy Trust. The majority of the trustees are appointed by Members who appoint in accordance with the Terms of Reference and Scheme of Delegation. They must ensure a balance of skills and geographical representation. The trustees in turn approve appointments to Local Governing Bodies. In addition, the Chief Executive Officer is a Director.

The chairman and vice chairman of the Board are elected annually according to the process outlined in the Board's Terms of Reference.

Education South West

Trustees' Report

Year Ended 31 August 2021

Policies and Procedures Adopted for the Induction and Training of Trustees

All new trustees are assigned an experienced trustee mentor to assist them in taking on their new responsibilities. They attend essential training courses (e.g. interpreting data). We subscribe to the national training and information organisation, the National Governors' Association, in order to give trustees access to updates in national policy and access to essential documents and policy changes. In addition, we organise our own programme of Governor Training and Forum sessions.

Organisational Structure

There are five Members of the Trust. Vacancies are filled by the remaining Members. As guardians of the Trust's ethos and values, their primary function is to have oversight of the governance arrangements of the Trust and to challenge the Board. They have powers to appoint and remove trustees and determine changes to the Articles of Association. They meet several times each year.

The Board is responsible for the management of the Trust and its academies. It determines the strategic direction of the Trust. A minimum of six Board meetings are scheduled annually to oversee finance, educational standards, safeguarding and other matters.

The Board delegates the day to day running of the Trust and the academies to the Chief Executive Officer who has the executive responsibility for implementing Trust Board policies and decisions. The Director of Finance and Chief Operating Officer reports to the Chief Executive Officer and leads the central Shared Services of Finance, Information Technology, Human Resources, Facilities Management, Catering, Procurement, Marketing, Data and Administration.

In accordance with the Academy Financial Handbook, the trustees appointed the CEO as the Accounting Officer and the Director of Finance and Chief Operating Officer as the Principal Finance Officer.

All Trust academies have Local Governing Bodies. They challenge the academy head teachers and are tasked by the Board to scrutinise the activities of their academies, focusing on safeguarding, achievement and school improvement. They identify risks and propose budgets to the Board for approval.

Arrangements for setting pay and remuneration of key management personnel

All senior managers follow an annual appraisal process as set out in the Appraisal Policy. This involves setting targets for the year and then a review process to assess achievement. This then leads to a pay recommendation which is put for scrutiny and approval to a Remuneration Committee, made up of trustees from the Board.

The Trust does not operate a bonus scheme. Performance Management is carried out by that person's line manager; in the case of the CEO, this is carried out by the Chair of the Board and other trustees.

Connected Organisations, including Related Party Relationships

Kingsbridge Community College has been a designated National Teaching School since 2011, and has been leading the South West Teaching School Alliance since then, and staff involved in and leading this activity are employed by Education South West. This activity continues to develop and Education South West were asked to pilot the new teaching school hub which covers all the schools in Devon, Torbay and Plymouth; from September 2021 South West Institute for Teaching (SWIFT), which supersedes preceding alliances, assumed this responsibility and will be led by Education South West.

Five registered charities (note 12) organised by parents, staff and other members of the community have as their object raising funds for particular academies within the Trust.

Engagement with employees (including disabled persons)

This reporting period has continued to be dominated by COVID-19 for which detailed workplace risk assessments were defined and revised as Government guidelines were revised. The Trust ensured that the risk assessments were reviewed in consultation with all staff, and the Trustees delegated the consultation process to the Heads for schools and the Director of Finance and Chief Operating Officer for Shared Services staff. The Trust developed a Trust wide risk assessment model which ensured that all staff in the Trust were aware of the impact of the guidelines on the workplace; where relevant school specific addendums to this risk assessment were created to reflect specific circumstances for each school.

Leaders of each school regularly inform school staff of the educational status of each of the schools. This year the teaching staff were directly involved in the process of setting teacher assessed grades,

Education South West

Trustee's Report

Year Ended 31 August 2021

because examinations were cancelled for a second year and were therefore an integral part of the of the information flow in this respect.

Trust policies, including recruitment and selection, accessibility, equality and managing sickness and absence reference policy with respect to the inclusion and support of disabled staff. The Trust is committed to ensure that throughout recruitment and selection, no applicant is disadvantaged or discriminated against because of protected characteristics including disability; exceptions are roles which require the performance of tasks which the person cannot be supported to carry out. The Trust ensures equality of career development and opportunity for all staff. In instances where staff become disabled during employment with the Trust, wherever possible, adjustments are made to support the continuity of employment.

Engagement with suppliers, customers and others in a business relationship with the Trust

In line with Objects and Aims the core group of customers of the Trust are the students who attend our schools and, by extension, their parents. Engagement with the students is a matter of day to day practice; engagement with parents, is both proactive and reactive, ensuring that parents are provided with information in respect to their child's educational performance, special educational needs and pastoral support requirements. Parents evenings also provide a scheduled communication between parents, teachers and students.

Procurement for the Trust is centrally managed and as referenced in the Strategic Report section of this Trustee's report a developed network of suppliers is in place.

The wider community are encouraged to make use of the Trusts facilities outside of core school hours. Approximately 100 community groups, including sport, drama and other leisure activities, involving children and adults, use the Trusts facilities throughout the year. The COVID-19 context has continued to present challenges, but the Trust has worked with community groups to develop risk assessments to support the restart of as many groups as possible.

Objectives and Activities

Objects and Aims

The objects and aims of the Trust are to advance for the public benefit education in the United Kingdom. In particular we do this by establishing, maintaining, carrying on, managing and developing schools offering a broad and balanced curriculum or educational institutions which are principally concerned with providing full-time or part-time education for children of compulsory school age.

Our aims and aspirations

Our purpose: We educate children so they can lead great lives.

Expect the best

The relentless pursuit of excellence drives every aspect of our work. We understand that this is a journey best undertaken by working closely with others within Education South West and beyond.

Challenge and pace are integral to our culture. We support students and staff to rise to that challenge, and feel the joy and satisfaction that comes when we are working at our best.

Learners with character

Our staff are committed to continuous improvement. We support them with high-quality, tailored programmes of professional development whatever their role and stage in their career.

We inspire students to develop the knowledge and character that enable them to leave school ready to lead rewarding lives in a rapidly changing world. Cultural, sporting and artistic experiences help

Education South West

Trustee's Report

Year Ended 31 August 2021

them discover their full potential. They further develop character through a resilient, determined and positive response to challenge. We want students to leave with the academic qualifications, skills and personal attributes that open doors to a fulfilling future.

Care about people and the environment

To be caring and considerate, kind and respectful is at the heart of everything we do. We carefully nurture the centrality of such relationships with others in our schools, with parents, our local and, ultimately, our global communities.

Caring for people leads us to care for our environment. This starts with our own schools and ends with our planet. The curriculum we follow and the attitudes we nurture are our contribution to a sustainable future.

Everyone is a leader

Our students are the leaders of tomorrow. We create rich opportunities for students to work in teams and learn by leading.

Every member of staff in every school is a role model. We all influence, challenge and inspire the young people around us through our words and actions. We recognise that the best leadership releases the potential in others, and builds the possibility of great lives for us all.

Objectives, Strategies and Activities

By capitalising on our collective strength and resources, we:

- Raise the academic achievement and personal growth of all our students.
- Improve the quality of teaching and learning by providing better opportunities for staff to create new knowledge and develop skills.
- Provide better support services at improved value for money to increase resources for teaching and learning.
- Recruit and retain higher quality staff by offering opportunities across the group.
- Support and hold each academy to account through stronger governance.
- Build a cohesive identity rooted in the unique identity of each academy.

Public Benefit

The trustees have ensured through review and monitoring of the activities of each Academy within its Trust that the primary objective of the Academy Trust to provide education for the public benefit has been met.

Education South West

Trustee's Report

Year Ended 31 August 2021

Strategic Report

Achievements and Performance

No public examinations were taken by students in 2021. Instead results were ascertained based on teacher grades. At Education South West we were rigorous in ensuring that grades were not awarded without robust evidence to support. Scrupulous analysis was undertaken by leaders at all levels to determine accuracy of outcomes and the results clearly demonstrate the integrity of this process. The 'results' cannot be compared to previous years.

COVID-19 meant that schools had to once again support children across schools, remotely. Again, as in the previous academic year, our Trust resources and Shared Services teams enabled us to ensure that leaders in schools were able to continue to focus as much as was possible upon teaching and learning. The disruption caused by absences of both staff and children, as well as the anxiety that the pandemic has caused in parents, children and some staff, cannot be underestimated. The manner in which staff at all levels conducted themselves in Education South West was exemplary.

We have sponsored and collaborated on the development of a new leadership course, SW100, with the intention of supporting leadership growth within the south west with a specific focus upon disadvantage.

We continue to develop resources to be a force for good for all in the profession. Our Teaching School Alliance, the South West Teaching School Alliance (SWTSA) was formed in September 2011. From this alliance Teaching School South West was developed. Funding and designation of Teaching Schools ended on 31st August 2021. ESW, through Kingsbridge was designated as one of two Teaching School Hubs covering all schools in Devon, Plymouth and Torbay. Working with Colyton Grammar School, we are building a new collaborative called the South West Institute for Teaching, SWIFT, to carry forward the best of the earlier models and bring the best professional development landscape. From September 2021 SWTSA has been renamed SWIFT South and will be part of Kingsbridge Teaching School Hub.

Risk Management

The trustees use the Risk Register as defined in the Academy Financial Handbook to evaluate strategic and reputational, operational, compliance, and financial risks to which the Academy Trust is exposed and have ensured that the management structure, systems and controls are in place to manage these risks, as well as insurance to cover financial loss and legal exposure.

Going Concern

At the year end the Trust held £6,155k (2020 - £4,730) in cash; at 30.9.21, and 28.10.21 cash balances were respectively £6,720k and £6,661k. Cash levels are predicted to remain at a similar level throughout the year and at the end of August 2022 are estimated to be £6,000k.

The Trust has prepared a budget for 21/22 showing a planned deficit before depreciation and FRS102 adjustments of £249k. The deficit plan for 21/22 reflects a strategic decision to support the relaunch of the previously failed South Devon UTC which the Trust agreed to take on from February 2021. The consolidated plan does not factor in any effect that COVID-19 may have upon results because at the time of budgeting it was impossible to forecast whether or not there would be a continued impact of COVID-19, albeit it is assumed that any impact would be immaterial. The potential deficit will be consolidated with reserves carried forward at the end of 31 August 2021 of £2,671k (2020 - £1,640k) on the general restricted fund and £1,554 (2020 - £1,642k) on the unrestricted fund.

The Trust commenced the financial period 21-22 with £4.22 million in reserves and as noted above, and a cash balance of £6.1 million. This strong financial position is complemented by the normal detailed and continuous annual financial forecasting reported to the Finance Committee each month; in addition,

Education South West

Trustee's Report

Year Ended 31 August 2021

a three-year rolling financial forecast maintained to ensure the long term is managed in conjunction with financial management decisions taken in the current period to manage the outcome.

Considering the level of reserves and cash balances held by the Trust, along with the strong financial management and monitoring, the trustees are of the opinion that there are no material uncertainties in relation to going concern and they consider that the Trust has adequate financial resources to continue in operational existence for the foreseeable future. For this reason, the Trust continues to adopt the going concern basis in preparing the financial statements.

Further details regarding the adoption of the going concern basis can be found in the Statement of Accounting Policies.

Promoting the success of the company

The trustees are responsible for promoting the success of the charity to achieved its charitable purposes, included with the Objects and Aims section of this trustee's report.

The Governance Statement included within this Annual Report defines the mechanisms through which the trustees ensure appropriate governance of the Trust. The trustees key role is holding the CEO to account for the continued improvement of educational outcomes and the stability of the financial status of the Trust. The trustees ensure that strategic planning with respect to organisation, development of educational provision and sound financial planning, will deliver a sustained development path for the Trust.

Key Financial Performance Indicators

The key financial performance indicator for the Trust is the adherence to the financial budget set at the beginning of the year. Excluding any generated funds, all income for the Academy is Government or Local Authority funded and therefore the income of the Academy is largely a given.

An expenditure budget is set at the beginning of the year, taking into consideration the level of Government funding. The trustees have reviewed detailed capital and revenue expenditure reports compared to expenditure budgets, which confirms that the processes and procedures in place for controlling expenditure are acceptable.

Financial Review

The Trust held fund balances at 31 August 21 of £62,734,000 (2020 - £55,560,000) comprising £61,180,000 (2020 - £53,918,000) of restricted funds and £1,554,000 (2020 - £1,642,000) of unrestricted funds. A pension reserve deficit on the Local Government Pension Scheme of £20,995,000 (2020 - £18,246,000) is included in the restricted funds balance. On the 1st February 2021 South Devon UTC transferred £8,941,000 of restricted funds to the Trust.

In accordance with the Funding Agreement, the principal source of general funding with which to finance the operations of the Academy Trust, is the Department for Education. £184,000 (2020 - £159,000) of general funding was spent on tangible fixed assets and £6,000 (2020 - £6,000) on intangible fixed assets.

The Trust spent £1,507,000 on tangible fixed assets. £699,000 of this was spent on buildings, which included the conversion and refurbishment at South Devon UTC, creation of new teaching spaces and student toilets at Kingsbridge Community College and general refurbishment across the Trust's schools.

£31,000 (2020 - £NIL) of redundancy costs were incurred in the period.

Education South West

Trustee's Report

Year Ended 31 August 2021

Principal Risks and Uncertainties

The principal risk facing the Trust is the future level of Government Funding and the possible continued impact of COVID-19. These risks are managed by rigorous financial management and careful control over budgeted expenditure which ensures that an unplanned deficit does not arise for the year, combined with a prudent reserves policy.

Reserves

As at 31 August 2021, excluding fixed asset funds and pension deficits, £2,671,000 (2020 - £1,640,000) of restricted funds and £1,554,000 (2020 - £1,642,000) of unrestricted funds were held.

Restricted funds carried forward comprise Other Dfe/ESFA grants £263,000 and Other Grants £560,000. £218,000 of the Other Dfe/ESFA balance carried forward is held as a reserve to protect against financial risk.

Other Grants balance carried forward are specific funds, which includes £18,000 redundancy reserve for Nursery Outreach, £56,000 relating to collaborative work with other schools, £188,000 connected with Research School and teaching school activities, £29,000 Sport England, and £40,000 primary school's partnership fund.

Unrestricted funds are held to provide funds for essential capital replacement and to support the future stability of the Trust in the face of falling education funding and challenges with respect to maintaining the roll.

Investment Policy

The Trust has no investments other than cash balances. The Trust's current account is held by Lloyds Bank; at 31 August 2021, £500,000 is held on deposit at Virgin Money.

Streamlined Energy and Carbon Reporting

UK Greenhouse gas emissions and energy use date for the period 1 September 2020 to 31 August 2021	
Energy consumption used to calculate emissions (kWh)	6,636,067

Tonnes CO ₂ e per square metre	0.023

Education South West

Trustee's Report

Year Ended 31 August 2021

Quantification and Report Methodology:

We have followed the 2019 HM Government Environmental Reporting Guidelines. We have also used the CHG Reporting Protocol – Corporate Standard and have used the 2021 UK Government's Conversion Factors for Company Reporting

Intensity measurement:

Two intensity ratios are reported showing emissions (tCO₂e) per pupil and per square meter floor area. Emissions per pupil is the recommended ratio for the sector for consistency and comparability and pupil numbers are based on the Autumn 2020 Census. Emissions per square meter floor area is reported to reflect the energy efficiency of the buildings, which are the source of the majority of emissions.

Measures taken to improve energy efficiency:

A new flexible working protocol has been implemented this year, enabling support staff to work from home more. This has reduced the use of offices at Teign School, Kingsbridge Community College and Coombeshead Academy, resulting in lower office energy use and fewer commuter journeys. Capital projects have also been carried out this year, targeting lighting and heating systems. A rolling programme of replacing old lighting with energy efficient LED lighting is in progress across all schools within the Trust, reducing electricity consumption. Furthermore, heating controls and boilers have been upgraded at the below schools:

- Teign School: A new BMS Trend system has been installed and improvements have been made to the Sports Hall boiler efficiency.
- Kingsbridge Community College: A new BMS Trend system has been installed in the English Block.
- Coombeshead Academy: A new efficient gas boiler has been installed in the Performing Arts Block

Plans for Future Periods

South Devon UTC joined ESW on February 1st 2021. ESW had been working with the College before the transfer and acted quickly, post transfer, to restructure the college and the curriculum for the new academic year; a full Ofsted inspection on 6th October 2021 graded the college Good in all categories, previously graded Requires Improvement in 2018. As well as supporting the schools within ESW, our experienced school improvement team which includes two National Leaders of Education, a number of trained Ofsted Inspectors and a former Her Majesty's Inspector, also work across a number of other schools and MATS providing school improvement support and guidance. We are proud of the role we play as a system leader and as an improver of education for all children.

We continue to be in discussion with a number of schools about possibly joining Education South West.

This year we released our Strategic Improvement Plan. Our focus continues to be on developing outstanding provision in all of our schools; enabling every young person to flourish and realise their full potential. We are proud to be one organisation in which every member of staff has a collective responsibility for all of our children. We believe that education makes children's lives better. A good education enables children to lead great lives in every sense of the word. We believe that every child has the right to achieve all that they are capable of and at the heart of any organisation are its people. At ESW we are a people focused trust. Our core business is educating and developing people.

We aim to develop active, happy, inquisitive, globally aware adults who are articulate, numerate and literate; compassionate, respectful and empathetic; thoughtful, confident and resilient; innovative, creative and artistic; healthy in body and mind who aspire to a diverse and rewarding future of opportunities and are able to stand up for their principles.

Education South West

Trustee's Report

Year Ended 31 August 2021

Every child who is educated at an Education South West school will be entitled to a curriculum which is broad and balanced yet personalised to recognise and build upon an individual's talent, enabling them to access new experiences. We expect our children to develop meaningful practical skills as well as academic ones. Students in ESW schools will be financially literate as well as know about the environment and the importance of sustainable living.

We recognise the difficulties that lie ahead for some children as a consequence of COVID and therefore, partially supported by the Governments COVID-19 Catch Up Grant, we continue to place additional staffing resources to support intervention and catch up teaching across all schools in the Trust. Whilst recognising the challenges within the Trust, the Trust will continue, where possible, and not to the detriment of the Trust's schools, to export advice, resources and support to other schools and local authorities to help to address challenges faced by those organisations.

Fundraising

The Academy Trust's fundraising activity is limited to events held at the school which are managed by the school leadership team. These events typically involve staff, students, parents and members of the local community in raising funds for the school fund account, school equipment or in support of another designated charity. This activity continued to be impacted by COVID-19 during the year.

Auditor

In so far as the trustees are aware:

- there is no relevant audit information of which the charitable company's auditor is unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

The Trustees' Report, incorporating a Strategic Report was approved by order of the Board on 8th December 2021 and signed on its behalf by:

.....
Peter Di Giuseppe
Chair

Education South West

Governance Statement

Year Ended 31 August 2021

Scope of Responsibility

As trustees, we acknowledge we have overall responsibility for ensuring that Education South West has an effective and appropriate system of control, financial and otherwise. However, such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss.

As trustees, we have reviewed and taken account of the guidance in DfE's Governance Handbook and competency framework for governance.

The trustees have delegated the day-to-day responsibility to the CEO, as accounting officer, for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between Education South West and Secretary of State for Education. He is also responsible for reporting to the trustees any material weaknesses or breakdown in internal control.

Governance

The information on governance included here supplements that described in the Trustees' Report and in the Statement of Trustees' Responsibilities.

The full Trust Board has formally met nine times during the year. Attendance during the year at meetings of the board was as follows:

Trustee	Meetings attended	Out of a possible
P Di Giuseppe (Chair)	9	9
J Fothergill	9	9
S Gotch	5	5
K Knott	8	9
D Potter	8	9
M Shanks	9	9
B Taylor	7	9
S Tucker	8	9
L Yelland	8	9

The Finance Committee formally met 4 times during the year. Attendance during the year at meetings of the Finance Committee was as follows:

Governor/Trustee	Meetings attended	Out of a possible
J Fothergill (Chair)	4	4
N Bustin	3	4
P Di Giuseppe	4	4
A Hines	3	4
M Jones	0	1
M Shanks	4	4
M Wheatley	4	4
L Yelland	3	4

Education South West

Governance Statement

Year Ended 31 August 2021

Review of Value for Money

As accounting officer, the chief executive has responsibility for ensuring that the Academy Trust delivers good value in the use of public resources. The accounting officer understands that value for money refers to the educational and wider societal outcomes achieved in return for the taxpayer resources received.

The accounting officer considers how the Trust's use of its resources has provided good value for money during each academic year, and reports to the board of trustees where value for money can be improved.

Notwithstanding the fact that COVID-19 has continued to overshadow the operation of the Trust during this period, the Trust's strong financial position and the decisive management action in response to the challenges arising for our students taken in the previous period, provided a firm foundation from which to continue to react to a continual changing context, including extended periods with large numbers of children being educated remotely.

The Trust embedded remote learning into the curriculum planning before the year started, ensuring that a high quality education could continue to be accessed by all children; the Trust continued to work with Oak Academy and collaborate with other academy trusts to develop teaching resources.

COVID-19 has had a significant impact on the social and mental wellbeing of students. As a consequence, the Trust took decisions in advance of commitment from central government with respect to any additional funding, to ensure that additional catch up teachers, pastoral staff and specialist counselling staff were available from the start of the period to support struggling and disadvantaged children.

Supporting Trust staff with mental well-being, including providing access to confidential counselling and support, has helped to ensure a stable workforce throughout a very challenging period.

The Director of School Improvement has provided the capacity, partnering with the Heads, to ensure focus on impactful improvement strategies across all schools in the Trust. The Trust has invested in the development of the curriculum, appointing specialist subject leaders, as well as primary and secondary curriculum leaders, to drive best practice across the Trust. This Trust-wide strategy has accelerated the continued improvement of the curriculum, and in addition to the sharing of, and teaching of, best practice, is leading to a preferred allocation of teacher time, removing duplication of effort and creating more capacity to focus on classroom teaching.

South Devon UTC transferred to the Trust during the period, with a dwindling roll, a narrow curriculum and an operating model which was not financially sustainable, and with a large deficit budget being run for the academic year. The Trust quickly restructured the college, developing a new curriculum and staffing model, forming a strategic recovery plan which has underpinned the relaunch of the college in September 21. During the period post transfer between 1.2.21 until 31.8.21, the Trust was able to reduce the projected pre-transfer deficit for period by £287,000.

The Purpose of the System of Internal Control

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives; it can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an ongoing process designed to identify and prioritise the risks to the achievement of Academy Trust policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in Education South West for the year ended 31 August 2021 and up to the date of approval of the annual report and financial statements.

Education South West

Governance Statement

Year Ended 31 August 2021

Capacity to Handle Risk

The trustees have reviewed the key risks to which the Academy Trust is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The Board is of the view that there is a formal ongoing process for identifying, evaluating and managing the Trust's significant risks that has been in place for the year ended 31 August 2021 and up to the date of approval of the annual report and financial statements. This process is regularly reviewed by the board of trustees.

The Risk and Control Framework

The Trust's system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular, it includes:

- comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the trustees;
- regular reviews by the trustee assigned to Finance and the Finance Committee, and the Board, of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes;
- setting targets to measure financial and other performance;
- clearly defined purchasing (asset purchase or capital investment) guidelines.
- delegation of authority and segregation of duties;
- identification and management of risks.

The board of trustees has considered the need for a specific internal audit function and decided to appoint M. Wheatley, a member of the Finance Committee to carry out a programme of internal checks on the Trust's financial systems and processes. The checks carried out in the current period included:

- testing of cash banking
- review of claim authorisations
- review of debt recovery and sales ledger management
- review of aged creditors and payment of suppliers
- review of authorisation of expenditure
- review of suspense accounts

Following each visit, a report is forwarded to the Chair of the Finance Committee, and annually a report encompassing all of the reports is presented to the Finance Committee. The planned schedule of works has been carried out and no control issues have arisen.

Review of Effectiveness

As Accounting Officer, the CEO has responsibility for reviewing the effectiveness of the system of internal control. During the year in question the review has been informed by:

- regular update meetings with the Director of Finance & Chief Operating Officer, setting of budgets, and detailed review of management information;
- the requirement of the Director of Finance & Chief Operating Officer to provide detailed financial reports to the Board and the Finance Committee
- review of the reports of the internal controls reviewer which have not given rise to any internal control weaknesses.

Statement on Regularity, Propriety and Compliance

Year Ended 31 August 2021

As accounting officer of Education South West, I have considered my responsibility to notify the Trust Board and the Education and Skills Funding Agency of material irregularity, impropriety and non-compliance with ESFA terms and conditions of funding, under the funding agreement in place between the Trust and the Secretary of State. As part of my consideration I have had due regard to the requirements of the Academies Financial Handbook 2020.

I confirm that I and the Academy Trust governing body are able to identify any material irregular or improper use of funds by the Academy Trust, or material non-compliance with the terms and conditions of funding under the Trust's funding agreement and the Academies Financial Handbook 2020.

I confirm that no instances of material irregularity, impropriety or funding non-compliance have been discovered to date. If any instances are identified after the date of this statement, these will be notified to the board of trustees and ESFA.

Statement of Trustees' Responsibilities

Year Ended 31 August 2021

The trustees (who are also the directors of the Charitable Company for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with the Academies Accounts Direction 2020 to 2021 issued by the Education and Skills Funding Agency, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the trustees to prepare financial statements for each financial year. Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Charitable Company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP 2019 and the Academies Accounts Direction 2020-21;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS102) have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charitable Company will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Charitable Company's transactions and disclose with reasonable accuracy at any time the financial position of the Charitable Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Charitable Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for ensuring that in its conduct and operation the Charitable Company applies financial and other controls, which conform to the requirements both of propriety and of good financial management. They are also responsible for ensuring grants received from the ESFA/DfE have been applied for the purposes intended.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the Charitable Company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Education South West

Independent Auditor's Report on the Financial Statements to the Members of Education South West

Year Ended 31 August 2021

Opinion

We have audited the financial statements of Education South West (the 'Academy') for the year ended 31 August 2021, which comprise the Statement of Financial Activities, Balance Sheet, Statement of Cash Flows, and Notes to the Financial Statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'.

In our opinion the financial statements:

- give a true and fair view of the state of the Academy's affairs as at 31 August 2021 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, the Charities SORP 2019 and the Academies Accounts Direction 2020 to 2021; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Academy in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Academy's ability to continue as a going concern for a period of at least twelve months from when the original financial statements were authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

Other information (covers the Reference and Administrative Details, the Trustees' Report and the Governance Statement)

The Trustees are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Education South West

Independent Auditor's Report on the Financial Statements to the Members of Education South West

Year Ended 31 August 2021

Opinion on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Governance Statement and Trustees' Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Governance Statement and Trustees' Report been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of our knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the Governance Statement and Trustees' Report.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of Trustees

As explained more fully in the Statement of Trustees' Responsibilities [set out on page 17], the Trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the Academy's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the Academy or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Education South West

Independent Auditor's Report on the Financial Statements to the Members of Education South West

Year Ended 31 August 2021

Based on our understanding of the Academy Trust, we identified that the principal risks of non-compliance with laws and regulations related to acts by the company which were contrary to applicable laws and regulations, including fraud.

We considered those laws and regulations that have a direct impact on the preparation of the financial statements, including, but not limited to the Companies Act 2006, regularity requirements of the ESFA and UK employment law. We evaluated incentives and opportunities for fraudulent manipulation of the financial statements, and determined that the principal risks were related to fraudulent financial reporting and non compliance with regularity.

Audit procedures performed by the engagement team include, but were not limited to, review of board minutes, detailed substantive testing regarding grant income recognition and the regularity requirements mandated by the ESFA and inquiries of management. We also addressed the risk of management override of internal controls, including testing of journals and evaluating whether there was evidence of bias that represented a risk of material misstatement due to fraud.

There are inherent limitations in the audit procedures described above and the further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely we would become aware of it. Also, the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusion.

A further description of our responsibilities is available on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

This report is made solely to the Academy's Members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Academy's Members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Academy's Members, as a body, for our audit work, for this report, or for the opinions we have formed.

Education South West

Independent Auditor's Report on the Financial Statements to the Members of Education South West

Year Ended 31 August 2021

In accordance with the terms of our engagement letter dated 23 September 2021 and further to the requirements of the Education and Skills Funding Agency (ESFA) as included in the Academies Accounts Direction 2020 to 2021, we have carried out an engagement to obtain limited assurance about whether the expenditure disbursed and income received by Education South West during the period 1 September 2020 to 31 August 2021 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This report is made solely to Education South West and the ESFA in accordance with the terms of our engagement letter. Our work has been undertaken so that we may state to Education South West and the ESFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than Education South West and the ESFA, for our work, for this report, or for the conclusion we have formed.

Respective responsibilities of the Governing Body's Accounting Officer and the Reporting Accountant

The Accounting Officer is responsible, under the requirements of Education South West's funding agreement with the Secretary of State for Education dated 20 December 2010 and the Academies Financial Handbook extant from 1 September 2020, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2020 to 2021. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the year from 1 September 2020 to 31 August 2021 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

Approach

We conducted our engagement in accordance with the Framework and Guide for External Auditors and Reporting Accountant of Academy Trusts issued by ESFA. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the academy trust's income and expenditure.

The work undertaken to draw to our conclusion includes:

- Inspection and review of documentation providing evidence of governance procedures
- Evaluation of the system of internal controls for authorisation and approval
- Performing substantive tests on relevant transactions

Education South West

Independent Reporting Accountant's Assurance Report on Regularity to Education South West and the Education and Skills Funding Agency

Year Ended 31 August 2021

Conclusion

In the course of our work nothing has come to our attention which suggests that in all material respects the expenditure disbursed and income received during the year from 1 September 2020 to 31 August 2021 has not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

Notes to the Financial Statements for the year ended 31 August 2020

1. Statement of Accounting Policies

Basis of Preparation

The financial statements of the Academy Trust, which is a public benefit entity under FRS102, have been prepared under the historical cost convention in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (Charities SORP (FRS 102)), the Academies Accounts Direction 2020 to 2021 issued by the ESFA, the Charities Act 2011 and the Companies Act 2006.

Education South West meets the definition of a public benefit entity under FRS102.

Going Concern

The trustees assess whether the use of going concern is appropriate i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the company to continue as a going concern. The trustees make this assessment in respect of a period of one year from the date of approval of the financial statements and have concluded that the Trust has adequate resources to continue in operational existence for the foreseeable future, and there are no material uncertainties about the Trust's ability to continue as a going concern, thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

Income

All incoming resources are recognised when the Academy Trust has entitlement to the funds, the receipt is probable and the amount can be measured reliably.

- **Grants receivable**

Grants are included in the Statement of Financial Activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the balance sheet. Where income is received in advance of entitlement of receipt its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the year for which it is receivable and any unspent amount is reflected as a balance in the restricted general fund. Capital grants are recognised when receivable and are not deferred over the life of the asset on which they are expended. Unspent amounts of capital grants are reflected in the balance in the restricted fixed asset fund.

- **Sponsorship income**

Sponsorship income provided to the Academy Trust which amounts to a donation is recognised in the Statement of Financial Activities in the period in which it is receivable, where the receipt is probable and the amount can be reliably measured.

- **Donations**

Donations are recognised on a receivable basis where receipt is probable and the amount can be reliably measured. Donations in kind are recorded as unrestricted income.

- **Other income**

Other income, including the hire of facilities, is recognised in the period it is receivable and to the extent the goods have been provided or on completion of the service.

- **Transfer of existing academies into the academy trust**

Where assets and liabilities are received on the transfer of an existing academy into the academy trust, the transferred net assets are measured at fair value and recognised in the balance sheet at the point when the risks and rewards of ownership pass to the academy trust. An equal amount of income is recognised for the transfer of an existing academy into the academy trust within Donations and capital grant income to the net assets acquired.

Education South West

Notes to the Financial Statements for the year ended 31 August 2020

Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

- **Expenditure on Raising Funds**
This includes all expenditure incurred by the Trust to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.
- **Charitable activities**
These are costs incurred on the Trust's educational operations, including support costs and costs relating to the governance of the Trust apportioned to charitable activities.

All resources expended are inclusive of irrecoverable VAT.

Intangible Fixed Assets

Intangible assets are capitalised and recognised when future economic benefits are probable and the cost or value of the asset can be measured reliably. Intangible assets are initially recognised at cost, and are subsequently measured at cost net of amortisation and any provision for impairment. Amortisation is provided on intangible fixed assets at rates calculated to write off the cost of each asset on a straight-line basis over its expected useful life. The only intangible assets owned by the Trust are computer software for which the expected useful life coincides with the terms of the license.

Tangible Fixed Assets

Assets are capitalised as tangible fixed assets and are carried at cost, net of depreciation and any provision for impairment. Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the Balance Sheet at cost and depreciated over their expected useful economic life. The related grants are credited to a restricted fixed asset fund in the Statement of Financial Activities and carried forward in the Balance Sheet. Depreciation on such assets is charged to the restricted fixed asset fund in the Statement of Financial Activities so as to reduce the fund over the useful economic life of the related asset on a basis consistent with the Academy Trust's depreciation policy.

Depreciation is provided on all tangible fixed assets other than freehold land, at rates calculated to write off the cost of each asset on a straight-line basis over its expected useful lives, as follows:

Computer equipment	20%
Plant and equipment	33%
Fixtures and fittings	25%
Motor Vehicles	33%

Buildings are depreciated over 50 years. Assets in the course of construction are included at cost. Depreciation on these assets is not charged until they are brought into use.

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of Financial Activities.

Education South West

Notes to the Financial Statements for the year ended 31 August 2020

Liabilities

Liabilities are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the Academy Trust anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Stock

Stocks of catering provisions, cleaning consumables, and stationary are valued at cost.

Financial Instruments

The Academy Trust only holds basic financial instruments as defined in FRS102. The financial assets and financial liabilities of the Academy Trust and their measurement basis are as follows:

Financial assets – trade and other debtors are basic financial instruments and are debt instruments measured at amortised cost as detailed in note 16. Prepayments are not financial instruments.

Cash at bank - is classified as a basic financial instrument and is measured at face value.

Financial liabilities – trade creditors, accruals and other creditors are financial instruments, and are measured at amortised cost as detailed in note 17. Taxation and social security are not included in the financial instruments disclosure definition. Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is an obligation to deliver services rather than cash or another financial instrument.

Taxation

The Academy Trust is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes.

Accordingly, the Academy Trust is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Pensions Benefits

Retirement benefits to employees of the Academy Trust are provided by the Teachers' Pension Scheme ('TPS') and the Local Government Pension Scheme ('LGPS'). These are defined benefit schemes.

The TPS is an unfunded scheme and contributions are calculated so as to spread the cost of pensions over employees' working lives with the Academy Trust in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary on the basis of quadrennial valuations using a prospective unit credit method. TPS is an unfunded multi-employer scheme with no underlying assets to assign between employers. Consequently, the TPS is treated as a defined contribution scheme and the contributions recognised as they are paid each year.

The LGPS is a funded multi-employer scheme and the assets are held separately from those of the Academy Trust in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit credit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each balance sheet date. The amounts charged to operating surplus are the current service costs and gains and losses on settlements and curtailments. They are included as part of staff costs.

Education South West

Notes to the Financial Statements for the year ended 31 August 2020

Net interest on the net defined benefit liability/asset is also recognised in the Statement of Financial Activities and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised on other recognised gains and losses.

Actuarial gains and losses are recognised immediately in other recognised gains and losses.

Fund Accounting

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the Trust at the discretion of the trustees.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by the Education and Skills Funding Agency and other funders where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received and include grants from the Education and Skills Funding Agency.

Critical accounting estimates and areas of judgement

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

The Trust makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost (income) for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 28 will impact the carrying amount of the pension liability. Furthermore, a roll forward approach which projects results from the latest full actuarial valuation performed at 31 March 2019 has been used by the actuary in valuing the pensions liability at 31 August 2021. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability.

Agency Arrangements

The Trust acts as agent in distributing 16-19 bursary funds from ESFA. Payments received from ESFA and subsequent disbursements to students are excluded from the statement of financial activities as the Trust does not have control over the charitable application of the funds. The Academy Trust can use up to 2% of the allocation towards its own administration costs and this is recognised in the statement of financial activities. The funds received and paid and any balances held are disclosed in note 30.

The academy trust has been eligible to claim additional funding in year from government support schemes in response to the coronavirus outbreak. The funding received is shown above as "exceptional government funding". The academy furloughed its' catering staff under the Government's CJRS. The funding received of £57,000 relates to staff costs which are included within note 8 below. In addition, funding for COVID-19 testing relates to staff costs within note 8 and allocated support costs within note 6.

Following the reclassification in the Academies Accounts Direction 2020/21 of some grants received from the Department for Education and ESFA, the academy trust's funding for Universal Infant Free School Meals and Pupil Premium is no longer reported under the Other DfE Group grants heading, but as separate lines under the Other DfE/ESFA grants heading. The prior year numbers have been reclassified.

8 Staff costs

Staff costs during the period were:	2021 £000	2020 £000
Wages and salaries	17,672	16,321
Social security costs	1,676	1,548
Pension costs	5,763	4,114
	<u>25,111</u>	<u>21,983</u>
Supply teacher costs	282	264
Redundancy costs	31	-
	<u>25,424</u>	<u>22,247</u>

The average number of persons (including senior management team) employed by the Academy Trust during the year was as follows:

	2021 No.	2020 No.
Teachers	294	281
Education support	230	218
Administration and support	141	143
Management	36	27
	<u>701</u>	<u>669</u>

Higher Paid Staff

The number of employees whose emoluments exceed £60,000 was :

	2021 No.	2020 No.
£60,001 - £70,000	9	10
£70,001 - £80,000	4	3
£80,001 - £90,000	1	1
£90,001 - £100,000	2	3
£100,000 - £110,000	2	1
£110,000 - £120,000	-	1
£120,000 - £130,000	-	-
£130,000 - £140,000	1	-

Of the above employees, 18 (18, 2020) participated in the Teachers' Pension Scheme. During the year ended 31 August 2021, pension contributions for these employees amounted to £330,655 (2020: £296,038).

Education South West

Notes to the Financial Statements for the year ended 31 August 2021

Key management personnel

The key management personnel of the Trust comprise the trustees, the senior management team listed on page 1, and the leadership teams of each academy in the Trust. The total amount of employee benefits (including employer pension contributions) received by key management personnel for their services to the Trust was £2,916,865 (2020: £2,483,578).

9 Central Services

The Trust has provided the following central services to its academies during the year:

- human resources
- financial, accounting and procurement services
- legal services
- management of the catering operation
- facilities management
- IT services
- communications and marketing
- educational support services

The staff and related costs with respect to the provision of these services is allocated to the individual academies in the Trust according to affordability, shared based on core pupil funding as a proportion of the total core pupil funding for the Trust.

The actual amounts charged during the year were as follows:

	2021	2020
	£000	£000
Kingsbridge Academy	590	557
Dartmouth Academy	204	214
Blackawton Primary School	49	43
Stoke Fleming Primary School	51	47
East Allington Primary School	38	33
Kingswear Primary School	25	24
Coombeshead Academy	488	457
Teign School	457	405
Rydon Primary School	151	133
Christow Primary School	37	33
South Devon UTC	58	-
	2,148	1,946

10 Related Parties Transactions - Trustees' remuneration and expenses

Trustees only receive remuneration in respect of services they provide undertaking the role of CEO and Executive Principal and not in respect of their services as trustees. Local governors did not receive any payments from the Trust in respect of their role as governors. The value of the trustees' remuneration and other benefits was as follows:

Education South West

Notes to the Financial Statements for the year ended 31 August 2021

M Shanks (CEO and Executive Principal):

Remuneration £130,000-£140,000 (2020: £110,000-£120,000)

Employers pension contributions £30,000-£35,000 (2020: £25,000-£50,000)

During the year M Shanks earned for the Trust £7,000 from school improvement activities; due to COVID-19 there were no fees earned from Ofsted inspections.

11 Governors' and Officers' Insurance

The Trust has registered all of the academies in the Trust with the Risk Protection Arrangement programme administered by the Department of Education; the cost is not separately identifiable under the Risk Protection Arrangement. The cost of this insurance is included in the total insurance cost.

12 Connected Charities

Parents and friends of some of the academies in the Trust have five registered charitable operations with the purpose of raising funds for the academy Trust. The results of four of them are as follows. The results for the Rydon association have not been disclosed as it does not consider itself to be connected to the Trust under the definition in paragraph 28(1) of schedule 3 of the Charities Act 2011. At the date of signing the Financial Statements, the Kingsbridge Community College PTFA were unable to provide details of income, expenditure and cash balances for inclusion in the accounts.

Name of registered charity	Friends of Stoke Fleming £000	Friends of Blackawton Primary School £000	Christow County Primary School PTFA £000

The specific purposes for which the funds are to be applied are as follows:

Restricted General Funds

The General Annual Grant (GAG) is applied in strict accordance with the terms of the Model Fund Agreement executed on the 20th December 2010, and varied to re-state the terms to form a multi Academy Trust on the 29th August 2014, which prescribes that this funding is used to cover the normal running costs of the Academy. Under the Funding Agreement there are no limits on the amount of GAG which can be carried forward.

Education South West

Notes to the Financial Statements for the year ended 31 August 2020

19 Funds continued

Other DfE and ESFA Grants includes £848,000 (2020 - £823,000) Pupil Premium which is used by the Trust to raise attainment in pupils from low income families which has been spent during the year; also included is Universal Infant Free School Meal funding of £135,000 (2020 - £142,000). £190,000 (2020 - £170,000) was received from the ESFA to cover business rates, £NIL (2020 - £37,000) to support Year 7 catch up intervention and £121,000 (2020 - £121,000) to support primary PE. In addition, £327,000 (2020 £NIL) COVID Catch Up Premium was received, and £298,000 was spent in the year. On the transfer of South Devon UTC to the Trust, the ESFA provided funding of £225,000 to cover the deficit and restructuring costs arising from the legacy inherited cost structure, for the period March 2021 to August 2021. The carried forward balance is referenced in the reserves section of the Trustees Report (page 9)

LEA and other grants income include £470,000 (2020 - £355,000) funding to support specific provisions for pupils with special educational needs, £329,000 (2020 - £220,000) preschool childcare, and £109,000 (2020 - £95,000) to support community nursery outreach support. In addition, £292,000 (2020 - £213,000) was received in relation to Teaching School activities, an increase because of the commencement of a new national super Teaching School Hub, South West Institute for Teaching. Exceptional Government funding of £57,000 was received under the Government's Coronavirus Job Retention Scheme (Note 5) which was fully applied to paying staff furloughed in the year. £146,000 was received to compensate the Trust for undertaking COVID-19 testing of students. The carried forward balance is referenced in the reserves section of the Trustees Report (page 9)

Other General Funds represents contributions from students £25,000 (2020- £54,000), preschool income from parents £145,000 (2020 - £116,000), and £27,000 (2020 - £196,000) relating to school trips.

The Pension Fund Reserve deficit represents the net shortfall in funds in the Local Government Pension Scheme in relation to employees past and present.

The DfE and ESFA capital grants represents funding specifically provided to support capital expenditures on fixed assets. The Fixed Asset Fund represents the current value of all fixed assets owned by the Trust plus carried forward unspent capital grants and capital donations. Capital grant income included £118,000 (2020 - £117,000) Devolved Formula Capital, £1,039,000 (2020 - £1,039,000) Schools Condition Allocation, £121,000 relating to the Government COVID-19 laptop scheme and the transfer of fixed asset funds from South Devon UTC of £9,287,000.

Unrestricted Funds

Unrestricted Funds can be applied at the discretion of the trustees. Funds were generated during the year from the catering operations £947,000 (2020 - £948,000), rental of academy premises and general community use £66,000 (2020 - £134,000) to community groups, fees for consultancy to other educational institutions £186,000 (2020 - £156,000).

Transfers

The net transfer from the General Annual Grant, LEA and Other Grants and the Unrestricted Funds to the Restricted Fixed Asset (£489,000) fund represents expenditure from these funds on fixed assets. These are offset by a transfer from the Pension Fund to cover financing and service costs included in the allocated support costs and transfers from unrestricted reserves to cover restricted fund expenditure, and a transfer of £101,000 between the restricted funds General Annual Grant and Other DfE/ESFA grants with respect to the pupil number adjustment for South Devon UTC.

A transfer of £57,000 between unrestricted funds and restricted funds (LEA and other grants) has been made to offset the £57,000 of restricted income received under the Government's Coronavirus Job Retention Scheme which related to unrestricted expenditure on catering staff salaries.

Education South West

Notes to the Financial Statements for the year ended 31 August 2021

Analysis of academies by fund balance

Fund balances at 31 August 2021 were allocated as follows:

	Total £000
Kingsbridge Academy	2,065
Dartmouth Academy	489
Blackawton Primary Academy	384
Stoke Fleming Primary Academy	22
East Allington Primary Academy	(56)
Kingswear Primary Academy	211
Coombeshead Academy	7
Teign School	360
Rydon Primary School	436
Christow Primary School	136
Central Services	171
South Devon UTC	-
Total before fixed assets and pension reserve	<u>4,225</u>
Restricted fixed asset fund	79,504
Pension reserve	(20,995)
Total	<u><u>62,734</u></u>

East Allington Primary Academy carries forward a deficit. Prior to converting to academy status, four primary schools (Blackawton, Stoke Fleming, East Allington and Kingswear) were run by the Local Authority under a single budget. The Trust whilst recognising the individual surpluses and deficits of the component primary academies (not including the pension deficit effect) is supporting the necessary provision of primary education in these communities recognising a degree of financial offset.

Education South West

Notes to the Financial Statements for the year ended 31 August 2021

Analysis of academies by cost

Expenditure incurred by each academy during the year was as follows:

	Teaching and Educational Support Staff Costs	Other Support Staff Costs	Educational Supplies	Other Costs (excluding depreciation)	Total
	£000	£000	£000	£000	£000
Kingsbridge Academy	5,279	600	147	1,778	7,804
Dartmouth Academy	1,878	272	38	694	2,882
Blackawton Primary Academy	630	70	9	140	849
Stoke Fleming Primary Academy	578	66	8	140	792
East Allington Primary Academy	417	48	5	106	576
Kingswear Primary Academy	236	30	3	68	337
Coombeshead Academy	4,053	439	68	1,368	5,928
Teign School	3,989	356	66	1,119	5,530
Rydon Primary Academy	1,522	139	18	304	1,983

Education South West

Notes to the Financial Statements for the year ended 31 August 2021

26 Contingent Liabilities

There are no contingent liabilities.

27 Members' Liability

Each member of the charitable company undertakes to contribute to the assets of the company in the event of it being wound up while he/she is a member, or within one year after he/she ceases to be a member, such amount as may be required, not exceeding £10 for the debts and liabilities contracted before he/she ceases to be a member.

28 Pension and similar obligations

The Academy's employees belong to two principal pension schemes: The Teachers' Pension Scheme England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by Peninsular Pensions. Both are multi-employer defined-benefit schemes.

The pension costs are assessed in accordance with the advice of independent qualified actuaries. The latest actuarial valuation of the TPS was 31 March 2012 and of the LGPS 31 March 2016.

Contributions amounting to £430,000 (2020 £383,000) were payable to the schemes at 31 August 2021 and are included within creditors.

Teachers' Pension Scheme

Introduction

The Teachers' Pension Scheme ("TPS") is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pensions Regulations 2014. Membership is automatic for teachers in academies. All teachers have the option to opt-out of the TPS following enrolment.

The TPS is an unfunded scheme to which both the members and employer make contributions as a percentage of salary - these contributions are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

Valuation of the Teachers' Pension Scheme

The Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury every four years. The aim of the review is to specify the level of future contributions. Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2016. The valuation report was published by the Department for Education on 5 March 2019. The key elements of the valuation and subsequent consultation are:

- employer contribution rates set at 23.68% of pensionable pay (including a 0.08% employer administration charge)
- total scheme liabilities (pensions currently in payment and the estimated cost of the future benefits) for service to the effective date of £218,100 million, and notional assets (estimated

Education South West

Notes to the Financial Statements for the year ended 31 August 2021

future contributions together with notional investments held at valuation date) of £196,100 million, giving a past service deficit of £22,000 million

- the SCAPE rate, set by HMT, is used to determine the notional investment return. The current SCAPE rate is 2.4% above the CPI, assumed real rate of return is 2.4% in excess of prices and 2% in excess of earnings. The rate of real earnings growth is assumed to be 2.2%. The assumed nominal rate of return is 4.45%

The next valuation result is due to be implemented from 1 April 2023.

The employer's pension costs paid to TPS in the period amounted to £2,797,000 (2020: £2,583,000).

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website.

Under the definitions set out in FRS102, the TPS is a multi-employer pension scheme. The Trust has accounted for its contributions to the scheme as if it were a defined contribution scheme. The Trust has set out above the information available on the scheme.

Local Government Pension Scheme

The LGPS is a funded defined-benefit scheme, with the assets held in separate trustee-administered funds. The total contribution made for the year ended 31 August 2021 was £1,145,276 (2020: £915,616), of which employer's contributions totalled £852,810 (2020: £669,029) and employees' contributions totalled £291,134 (2020: £245,807). The agreed contribution rates for future years are 17.6% per cent for employers and variable per cent for employees. Due to the scheme being in deficit lump sum amounts of £108,000 (2020: £147,000) were paid into the scheme in the year.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of academy closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013.

Principal Actuarial Assumptions	At 31 August 2021	At 31 August 2020
Rate of increase in salaries	3.90	3.30%
Rate of increase for pensions in payment / inflation	2.90	2.30%
Discount rate for scheme liabilities	1.65	1.60%
Inflation assumption (CPI)	2.90	2.30%
RPI Increases	3.20	3.10%

Education South West

Notes to the Financial Statements for the year ended 31 August 2021

The current mortality assumptions include sufficient allowance for future improvements in mortality rates. The assumed life expectations on retirement age 65 are:

	At 31 August 2021	At 31 August 2020
<i>Retiring today</i>		
Males	22.7	22.9
Females	24.0	24.1
<i>Retiring in 20 years</i>		
Males	24.0	24.3
Females	25.4	25.5

Sensitivity Analysis

	At 31 August 2021 £000	At 31 August 2020 £000
Discount rate +0.1%	39,499	32,705
Discount rate -0.1%	41,306	34,201
Mortality assumption – 1 year increase	42,004	34,682
Mortality assumption – 1 year decrease	38,842	32,250

The academy's share of the assets and liabilities in the scheme were:

	Fair value at 31 August 2021 £000	Fair value at 31 August 2020 £000
UK Equities	1,969	1,923
Overseas Equities	10,171	7,148
Gilts	2,486	539
Other bonds	366	716
Property	1,549	1,208
Infrastructure	937	611
Cash	117	174
Alternative Assets	-	967
Other assets	1,802	1,912
Total market value of assets	19,397	15,198

The actual return on scheme assets was £3,165,000 (2020: £60,000).

Education South West

Notes to the Financial Statements for the year ended 31 August 2021

Amounts recognised in the statement of financial activities

	2021 £000	2020 £000
Current service cost	2,875	1,811

29 Related Party Transactions

There are no related party transactions for the year ending 31 August 2021 other than certain trustees' remuneration and expenses already disclosed in note 10.

30 Agency Arrangements

The Trust distributes 16-19 bursary funds to students as an agent for ESFA. In the accounting period 31 August 2021, the Trust received £75,000 and distributed £27,000 from the fund which included a brought forward balance of £47,000. An amount of £103,000 relating to undistributed funds repayable to ESFA are netted with other grant income receivable from ESFA, and included in debtors.
